

# INSPIRED

DESIGN

It's a quality that's unmistakable. You recognize luxury when you feel it. You know a Sea Ray when you *see* it.

# METICULOUS

## CRAFTSMANSHIP

It takes a combination of artistry and skill to shape raw material into a Sea Ray.

The result is an unparalleled masterpiece that meets its final form on the water.

### The SDX Series

SDX® is the floating epitome of time well spent. The deep bow, the roomy deck and the generous storage allow you to find adventure without compromise.

# ELEVATED

# EXPERIENCES

The moments spent anchored with the people you love are often indescribable.

It's uncomplicated, but it's more precious than all the words in the world.

23 SPX 230 SPX 230 Outboard

### The SPX Series

Designed to be noticed, the stylish and adventurous SPX® series caters to your family's idea of fun, with every detail delivering both beauty and performance.

### **Technology**

Integrated technologies\* at the forefront of innovation make your experience seamless and intuitive to focus on the water ahead.

**1st Mate™ Marine Safety** Overboard alerts, distress messaging and theft-deterrent functionality via wireless communication between wearable fobs, an engine hub and your mobile device

CZone® Digital Switching Full control of your boat's systems—including the swim platform, RGB lighting, sunshade and more from the comfort of your helm seat

Mercury® Marine A leader in marine propulsion, incorporates advancements for increased fuel economy, engine performance tracking and more

**Dynamic Running Surface™** An original Sea Ray innovation that optimizes running attitude for exceptional performance and stability

**Fusion® Audio System** Premium, easy-touse audio systems designed specifically for the marine environment **Gyro Stabilization** Seakeeper® Gyroscope Stabilizer eliminates up to 95% of boat roll and the fatigue, anxiety, and seasickness that go with it

Fathom™ e-power System A first-of-itskind innovation that replaces the need for a generator to power your boat's accessory system for as long as 8 hours

Simrad® Offering the latest in touchscreen technology and navigational interfaces, Simrad enhances confidence and control

### Sea Ray NEXTWAVE™ Surf System

Sea Ray surf boats combine Mercury®
MerCruiser® engines with a forward-facing
Bravo Four S® drive, integrated Mercury®
technology and controls, and electric surf
tabs and ballast tanks to create the ideal
wake for wakesurfing and other tow sports

\*Certain technologies may only be available on select models. Explore options and customize your boat at searay.com
